

AUTHORIZATION FOR RELEASING STUDENT DIRECTORY INFORMATION

The Jesup Community School District has adopted a policy designed to assure parents and students the full implementation, protection and enjoyment of their rights under the Family Educational Rights and Privacy Act of 1974. A copy of the school district's policy is available for review in the office of the principal of all of our schools.

This law requires the school district to designate as "directory information" any personally identifiable information taken from a student's educational records prior to making such information available to the public. **The directory information may be disclosed to post secondary institutions and military recruiters (required by Elementary and Secondary Education Act – Section 9528). The information released is intended to be used for recruiting purposes only.**

The school district has designated the following information as directory information: student's name, address, telephone number, electronic mail address, photograph or likeness, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, enrollment status, grade level, degrees received, honors and awards received, the most recent previous school or institution attended by the student, and other similar information. You have the right to refuse the designation of any or all of the categories of personally identifiable information as directory information with respect to your student provided that you notify the school district in writing not later than _____, 20__ of this school year. If you desire to make such a refusal, please complete and return the slip attached to this notice.

If you have no objection to the use of student information, you do not need to take any action.
