

If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, this Federal law gives you more choices about your prescription drug coverage. See below for more information.

**Medicare Part D Creditable Coverage
Important Notice from Iowa Star Schools About
Your Prescription Drug Coverage and Medicare**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Iowa Star Schools and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. We have determined that the prescription drug coverage offered by the Iowa Star Schools plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Iowa Star Schools coverage will not be affected.

If you do decide to join a Medicare drug plan and drop your current Iowa Star Schools coverage, be aware that you and your dependents may not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Iowa Star Schools and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least **19%**

higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year to refer to during the next period you can join a Medicare drug plan, and if this coverage through Iowa Star Schools changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Our Company's Pledge to You

We are required by applicable federal and state law to inform you of our privacy practices and our legal obligations regarding your protected health information under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). The notice also explains the privacy rights you and your family members have as participants of the Plan. It is effective on 9/23/13.

The Plan often needs access to your protected health information in order to provide payment for health services and perform plan administrative functions. We want to assure the participants covered under the Plan that we comply with federal privacy laws and respect your right to privacy. We require all members of our workforce and third parties that are provided access to protected health information to comply with the privacy practices outlined below.

Protected Health Information

Your protected health information is protected by the HIPAA Privacy Rule. Generally, protected health information is information that identifies an individual created or received by a health care provider, health plan or an employer on behalf of a group health plan that relates to physical or mental health conditions, provision of health care, or payment for health care, whether past, present, or future.

How We May Use Your Protected Health Information

Under the HIPAA Privacy Rule, we may use or disclose your protected health information for certain purposes without your permission. This section describes the ways we can use and disclose your protected health information.

Payment. We use or disclose your protected health information without your written authorization in order to determine eligibility for benefits, seek reimbursement from a third party, or coordinate benefits with another health plan under which you are covered. For example, a health care provider that provided treatment to you will provide us with your health information. We use that information in order to determine whether those services are eligible for payment under our group health plan.

Health Care Operations. We use and disclose your protected health information in order to perform plan administration functions such as quality assurance activities, resolution of internal grievances, and evaluating plan performance. For example, we review claims experience in order to understand participant utilization and to make plan design changes that are intended to control health care costs. However, we are prohibited from using or disclosing protected health information that is genetic information for our underwriting purposes.

Treatment. Although the law allows use and disclosure of your protected health information for purposes of treatment, as a health plan we generally do not need to disclose your information for treatment purposes. Your physician or health care provider is required to provide you with an explanation of how they use and share your health information for purposes of treatment, payment, and health care operations.

As permitted or required by law. We may also use or disclose your protected health information without your written authorization for other reasons as *permitted* by law. We are *permitted* by law to share information, subject to certain requirements, in order to communicate information on health-related benefits or services that may be of interest to you, respond to a court order, or provide information to further public health activities (e.g., preventing the spread of disease) without your written authorization. We are also permitted to share protected health information during a corporate restructuring such as a merger, sale, or acquisition. We will also disclose health information about you when *required* by law, for example, in order to prevent serious harm to you or others.

Pursuant to your Authorization. When required by law, we will ask for your written authorization before using or disclosing your protected health information. Uses and disclosures not described in this notice will only be made ³with your

written authorization. Subject to some limited exceptions, your written authorization is required for the sale of protected health information and for the use or disclosure of protected health information for marketing purposes. If you choose to sign an authorization to disclose information, you can later revoke that authorization to prevent any future uses or disclosures.

To Business Associates. We may enter into contracts with entities known as Business Associates that provide services to or perform functions on behalf of the Plan. We may disclose protected health information to Business Associates once they have agreed in writing to safeguard the protected health information. For example, we may disclose your protected health information to a Business Associate to administer claims. Business Associates are also required by law to protect protected health information.

To the Plan Sponsor. We may disclose protected health information to certain employees for the purpose of administering the Plan. These employees will use or disclose the protected health information only as necessary to perform plan administration functions or as otherwise required by HIPAA, unless you have authorized additional disclosures. Your protected health information cannot be used for employment purposes without your specific authorization.

Your Rights

Right to Inspect and Copy. In most cases, you have the right to inspect and copy the protected health information we maintain about you. If you request copies, we will charge you a reasonable fee to cover the costs of copying, mailing, or other expenses associated with your request. Your request to inspect or review your health information must be submitted in writing to the person listed below. In some circumstances, we may deny your request to inspect and copy your health information. To the extent your information is held in an electronic health record, you may be able to receive the information in an electronic format.

Right to Amend. If you believe that information within your records is incorrect or if important information is missing, you have the right to request that we correct the existing information or add the missing information. Your request to amend your health information must be submitted in writing to the person listed below. In some circumstances, we may deny your request to amend your health information. If we deny your request, you may file a statement of disagreement with us for inclusion in any future disclosures of the disputed information.

Right to an Accounting of Disclosures. You have the right to receive an accounting of certain disclosures of your protected health information. The accounting will not include disclosures that were made (1) for purposes of treatment, payment, or health care operations; (2) to you; (3) pursuant to your authorization; (4) to your friends or family in your presence or because of an emergency; (5) for national security purposes; or (6) incidental to otherwise permissible disclosures.

Your request to for an accounting must be submitted in writing to the person listed below. You may request an accounting of disclosures made within the last six years. You may request one accounting free of charge within a 12-month period.

Right to Request Restrictions. You have the right to request that we not use or disclose information for treatment, payment, or other administrative purposes except when specifically authorized by you, when required by law, or in emergency circumstances. You also have the right to request that we limit the protected health information that we disclose to someone involved in your care or the payment for your care, such as a family member or friend. Your request for restrictions must be submitted in writing to the person listed below. We will consider your request, but in most cases are not legally obligated to agree to those restrictions.

Right to Request Confidential Communications. You have the right to receive confidential communications containing your health information. Your request for restrictions must be submitted in writing to the person listed below. We are required to accommodate reasonable requests. For example, you may ask that we contact you at your place of employment or send communications regarding treatment to an alternate address.

Right to be Notified of a Breach. You have the right to be notified in the event that we (or one of our Business Associates) discover a breach of your unsecured protected health information. Notice of any such breach will be made in accordance with federal requirements.

Right to Receive a Paper Copy of this Notice. If this notice is provided electronically, you also have a right to obtain a paper copy of this notice from us upon request. To obtain a paper copy of this notice, please contact the person listed below.

Our Legal Responsibilities

We are required by law to maintain the privacy of your protected health information, provide you with this notice about our legal duties and privacy practices with respect to protected health information and notify affected individuals following a breach of unsecured protected health information.

We may change our policies at any time and reserve the right to make the change effective for all protective health information that we maintain. In the event that we make a significant change in our policies, we will provide you with a revised copy of this notice. You can also request a copy of our notice at any time. For more information about our privacy practices, contact the person listed below.

Amendment and Certification

Amendment

This notice will serve as an amendment to our health insurance plan document to:

- Establish the permitted and required uses and disclosures of PHI by us and
- Provide that the group health plan will disclose PHI to us only upon receipt of a certification that the plan documents have been amended to incorporate the required provisions and that we agree to comply with privacy regulations.

Certification

We hereby certify that the plan document of our Group Health Plan has been amended to comply with the requirements of 45 Code of Federal Regulations 164.504(f)(2). The amendment provides the required assurance that we will appropriately safeguard and limit the use and disclosure of the Group Health Plan participants' protected health information that we may receive from the Group Health Plan or from the Insurance Carrier to perform the plan administration functions.

Complaints

If you are concerned that we have violated your privacy rights, or you disagree with a decision we made about access to your records, you may contact the person listed above. You also may send a written complaint to the U.S. Department of Health and Human Services — Office of Civil Rights. The person listed above can provide you with the appropriate address upon request or you may visit www.hhs.gov/ocr for further information. You will not be penalized or retaliated against for filing a complaint with the Office of Civil Rights or with us.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2022. Contact your State for more information on eligibility –

HIPAA SPECIAL ENROLLMENT RIGHTS NOTICE

HIPAA Special Enrollment Rights Notice for Health (Medical) Insurance

If you are declining health insurance enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself or your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage or within 60 days of birth, adoption or placement for adoption. Additionally, you must enroll within 60 days after you lose eligibility for coverage under Medicaid or CHIP or become eligible for Medicaid or CHIP premium assistance. To request special enrollment or obtain additional information contact Human Resources.

WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998 (WHCRA)

"Did you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema). Call your health insurance carrier at the telephone number listed on your Identification Card for more information."

SECTION 125 PREMIUM PRE-TAX NOTICE

Each year you may choose to participate in or waive benefits. Notify us of your intent by completing the applicable enrollment form(s). The enrollment form(s) will include a salary reduction agreement for your share of premiums, if any.

Per IRS Code, you cannot change or revoke this salary reduction agreement during the year unless you have a change in election event, including marriage, divorce, birth or adoption of a child, death of spouse or child, commencement or termination of spouse or dependent's employment affecting benefit eligibility, and other events as listed in the Section 125 Summary Plan Description.

Pre-tax means that Social Security (FICA) and other taxes will not be withheld on the amount of your salary reduction under this agreement. This agreement will automatically terminate if the Plan is terminated or discontinued, or if you cease to receive compensation from the Company which, before reduction hereunder, is at least equal to the amount of that reduction. The Plan Administrator may reduce or otherwise modify this agreement in the event she/he believes it advisable in order to satisfy certain provisions of the IRS Code.

Upon your initial eligibility for benefits you are given a choice of paying for eligible premiums on either a pre-tax or post-tax basis. Your election to pre-tax or post-tax premiums will continue for future years, unless you request a change in writing. If your required contributions for elected benefits increase or decrease while this agreement remains in effect your salary deduction will automatically be adjusted to reflect that increase or decrease.

PATIENT PROTECTION DISCLOSURE – Plan 9 ONLY

Iowa Star Schools – Plan #9 requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. For children, you may designate a pediatrician as the primary care provider.

You do not need consent from Iowa Star Schools or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization or pre-certification for certain services, following a pre-approved treatment plan or case management plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, call the number on your ID card or visit our website at www.wellmark.com.

VERY IMPORTANT NOTICE **MICHELLE'S LAW NOTICE**

Michelle's Law is a federal law passed in 2008 that extends coverage for a dependent child over the age of 26 when enrolled as a full-time student in post-secondary education prior to a medically necessary leave of absence suffered by the child, which causes the loss of full-time student status.

Your group health plan includes eligibility of coverage for an employee's dependent child, defined as an employee's eligible dependent child under Code § 152(f)(1), who is over the age of 26, pursuant to a state-mandated benefit requires full-time student status, who is receiving health coverage as a full-time student in a post-secondary educational institution and who would otherwise lose health coverage because they take a medically necessary leave of absence that would cause the loss of full-time student status, may be entitled to up to one year of continued coverage due to the medically necessary leave.

To be eligible for this extension, the dependent child's treating physician must provide a written certification to the plan administrator that the child is suffering from a serious illness or injury and the leave of absence from the post-secondary institution is medically necessary. A child on a medically necessary leave of absence is entitled to receive the same plan benefits as other dependent children covered under the plan. Any change to plan coverage that occurs during the Michelle's Law extension of eligibility will apply to the dependent child to the same extent as it applies to other children covered under the plan.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT NOTICE

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a Cesarean section.

However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable).

In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Women’s Health and Cancer Rights Act Notice

This notice is being provided on behalf of the following entities:

Wellmark, Inc. doing business as Wellmark Blue Cross and Blue Shield of Iowa

Wellmark Health Plan of Iowa, Inc.

Women’s Health and Cancer Rights Act (WHCRA)

This notice informs you of the federal regulation that requires all health plans that cover mastectomies to also cover reconstruction of the removed breast.

For members receiving mastectomy-related benefits, coverage will be provided, in a manner determined in consultation with the attending physician and patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 6-30-2023)

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution –as well as your employee contribution to employer-offered coverage– is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact _____ your HR Department

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:

All employees. Eligible employees are:

-
- Some employees. Eligible employees are:

Employees who work 30 or more hours per week.

- With respect to dependents:

-
- We do offer coverage. Eligible dependents are:

Spouse; children to age 26, and children who are over age 26, unmarried, meet other eligibility requirement of the plan and are either a full-time student or totally and permanently disabled, physically or mentally.

-
- We do not offer coverage.

-
- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.
