ORGANIZATION OF THE BOARD OF DIRECTORS

The Jesup Community School District board is authorized by and derives its organization from Iowa law. The board shall consist of 7 board members. Board members shall be elected at-large.

The board is organized for the purpose of setting policy and providing general direction for the school district. The board shall hold its organizational meeting at the first regular meeting following the canvass of votes. The retiring board shall transfer materials and responsibility to the new board.

The organizational meeting allows the outgoing board to approve minutes of its previous meetings, complete unfinished business and review the school election results. The retiring board shall adjourn and the new board shall then begin. The Board Secretary will administer the oath of office to the newly-elected board members. The Board Secretary will preside while the new board elects the president and vice president of the new board.

POWERS OF THE BOARD OF DIRECTORS

The board of the Jesup Community School District, acting on behalf of the school district, shall have jurisdiction over school matters within the territory of the school district.

The board is empowered to make policy for its own governance, for employees, for students and for school district facilities. The board is also empowered to enforce its policies. The board may, through its quasi-judicial power, conduct hearings and rule on issues and disputes confronting the school district.

JESUP COMMUNITY SCHOOL DISTRICT

RESPONSIBILITIES OF THE BOARD OF DIRECTORS

The board is authorized to govern the school district which it oversees. The board is entrusted with public funds and is responsible for overseeing the improvement of student outcomes, including student academic achievement and skill proficiency. As the governing board of the school district, the board has four duties to perform: legislative duty, executive duty, evaluative duty, and quasi-judicial duty.

As a representative of the citizens of the school district community, the board is responsible for legislating policy for the school district. As a policy making body, the board has jurisdiction to enact policy with the force and effect of law for the management and operation of the school district.

It is the responsibility of the board, under the board's executive duty, to select its chief executive officer, the superintendent, to operate the school district on the board's behalf. The board delegates to the superintendent its authority to carry out board policy, to formulate and carry out rules and regulations and to handle the administrative details in a manner which supports and is consistent with board policy.

The board has a responsibility to review the education program's performance under its evaluative duty. The board regularly reviews the education program and ancillary services. The review includes a careful study and examination of the facts, conditions and circumstances surrounding the amount of funds received or expended and the education program's ability to achieve the board's educational philosophy and goals for the school district.

The board fulfills its quasi-judicial duties in serving as a neutral arbiter for hearings related to student suspension or expulsion proceedings and certain employment termination hearings and appeals. This important power was granted by the Iowa Legislature and cannot be delegated. To preserve the board's neutrality to hear and decide upon these matters, the board does not investigate or become involved in student disciplinary matters or employment matters that may come before it and would require the board to serve in its quasi-judicial role.

BOARD MEMBER SOCIAL MEDIA ENGAGEMENT

The board sees the value in promoting the excellent work and accomplishments of the district's students and staff. Social media is one of many effective communication tools that the district may utilize. Board members have been publicly elected to govern the district and accept a fiduciary responsibility. That responsibility means board members agree to always act in the best interests of the district. For this reason, the board shall expect that individual communications and social media posts made by board members will reflect the values and decorum expected of elected officials in the school community.

All board members enjoy rights to freedom of speech under both the U.S. and Iowa Constitutions. As such, the district will not limit protected speech of any board members. Certain categories of speech are not protected and may be subject to regulation. Additionally, board members should be aware that protected speech can still subject individuals to legal liability. If using social media to discuss district related matters, board members should be aware that they may be prohibited from blocking individual communications and posters based upon the content of their posts.

The board as a whole and individual board members in their governance role have legal obligations to safeguard the privacy of information related to student and employee matters. Board members will refrain from posting or communicating on social media in a way that violates the district's obligation to protect the privacy of its students and employees.

Board members are uniquely positioned in the school community to be both accessible and responsive to community concerns about the effective governance of the district. As a result, the board will remember their obligations to safeguard student and employee privacy when responding to any social media posts or communications, even if the response is intended to correct information for the rest of the school community. Board members will direct concerned individuals to the appropriate district staff to address their inquiry or complaint in accordance with board policy.

NOTE: This policy is discretionary and reflects best practices for board members. While it is intended to provide a basic legal structure, boards are encouraged to comprehensively discuss this topic at the board table so the board as a whole can develop understanding and consensus behind this policy. Contact IASB for additional resources on board table discussions related to this topic.

Each newly-elected board member will take the oath of office prior to any action taken as a school official. The oath of office shall be taken by each new board member elected at the annual school election at or before the organizational meeting of the board. In the event of an appointment or special election to fill a vacancy, the new board member shall take the oath of office within ten days of the appointment or election.

Board members elected to offices of the board shall also take the same oath of office but replacing the office of board member with the title of the office to which they were elected.

The oath of office shall be administered by the board secretary and does not need to be given at a board meeting. In the event the board secretary is absent, the oath shall be administered by another board member.

VACANCIES

A vacancy occurs when a board member resigns, forfeits or otherwise leaves the office. A vacancy also includes, but is not limited to, the following: failure to be properly elected, failure to qualify within the time fixed by law, failure to reside in the school district or director district, a court order declaring the seat vacant, conviction of a felony, three violations of the open meetings law, or conviction of a public offense in violation of the oath of office.

If a vacancy occurs prior to the expiration of a term of office, the vacancy shall be filled by board appointment within thirty days of the vacancy. In the event of a resignation, the vacancy shall commence on the date of acceptance of the resignation by a vote of the board of directors. In all other cases, the date of the vacancy shall be the date of the failure, the court order, or the conviction.

In appointing a new board member to fill a vacancy, all persons who received votes and were not elected in the last board election shall automatically be nominated. Nominations will also be accepted from members of the board of directors for a period of 10 days following the acceptance of the resignation by the board of directors.

All nominations will go to a vote of the Board within thirty days after the vacancy occurs. The person must receive a majority vote of the board in order to be appointed to fill the vacancy. The newly appointed board member shall hold the position until the next scheduled election. At that time the appointed board member may run for a four-year term, if one is available, or run for the remainder of the unexpired term.

If the board is unable to fill a vacancy by appointment within thirty days after the vacancy occurs, the board secretary shall call a special election to be held no sooner than sixty days and not later than seventy days after the vacancy occurred. A board member elected at the special election shall serve the remaining portion of the unexpired term.

JESUP COMMUNITY SCHOOL DISTRICT

BOARD OF DIRECTORS' CONFLICT OF INTEREST

Board members must be able to make decisions objectively. It is a conflict of interest for a board member to receive direct compensation from the school district, unless exempted in law or policy, for anything other than reimbursement of actual and necessary expenses, including travel, incurred in the performance of official duties. A board member will not act as an agent for school textbooks or school supplies including sports apparel or equipment, in any transaction with a director, officer, or other staff member of the school district during the board member's term of office. It will not be a conflict of interest for board members to receive compensation from the school district for contracts for the purchase of goods or services which benefits a board member, or to compensation for part-time or temporary employment which benefits a board member, if the benefit to the board member does not exceed \$20,000 in a fiscal year or if the contracts are made by the board, upon competitive bid in writing, publicly invited and opened.

The conflict of interest provisions do not apply to a contract that is a bond, note or other obligation of a school corporation if the contract is not acquired directly from the school corporation, but is acquired in a transaction with a third party, who may or may not be the original underwriter, purchaser, or obligee of the contract, or to a contract in which a director has an interest solely by reason of employment if the contract was made by competitive bid, in writing, publicly invited and opened, or if the remuneration for employment will not be directly affected as a result of the contract and duties of employment do not involve any of the preparation or procurement of any part of the contract. The competitive bid section of the conflict of interest provision does not apply to a contract for professional services not customarily awarded by competitive bid. It will also be a conflict of interest for a board member to engage in any outside employment or activity which is in conflict with the board member's official duties and responsibilities. In determining whether outside employment or activity of a board member creates a conflict of interest, situations in which an unacceptable conflict of interest is deemed to exist includes, but are not limited to, any of the following:

- (1) The outside employment or activity involves the use of the school district's time, facilities, equipment and supplies or the use of the school district badge, uniform, business card or other evidence of office to give the board member or member of the board member's immediate family an advantage or pecuniary benefit that is not available to other similarly situated members or classes of members of the general public. For purposes of this section, a person is not "similarly situated" merely by being related to a board member.

Revised September 2019

- (2) The outside employment or activity involves the receipt of, promise of, or acceptance of money or other consideration by the board member or a member of the board member's immediate family from anyone other than the state or the school district for the performance of any act that the board member would be required or expected to perform as part of the board member's regular duties or during the hours in which the board member performs service or work for the school district.
- (3) The outside employment or activity is subject to the official control, inspection, review, audit, or enforcement authority of the board member, during the performance of the board member's duties of office or employment.

If the outside employment or activity is employment or activity in (1) or (2) above, the board member must cease the employment or activity. If the activity or employment falls under (3), then the board member must:

- Cease the outside employment or activity; or
- Publicly disclose the existence of the conflict and refrain from taking any official action or performing any official duty that would detrimentally affect or create a benefit for the outside employment or activity. Official action or official duty includes, but is not limited to, participating in any vote, taking affirmative action to influence any vote, determining the facts or law in a contested case or rulemaking proceeding, conducting any inspection, or providing any other official service or thing that is not available generally to members of the public in order to further the interests of the outside employment or activity.

When procurement is supported by Federal Child Nutrition funds, board members will not participate in the selection, award, or administration of a contract if there is a real or apparent conflict of interest in the contract. Contract, for purposes of this paragraph, includes a contract where the board member, board member's immediate family, partner, or a non-school district employer of these individuals is a party to the contract.

It is the responsibility of each board member to be aware of and take the action necessary to eliminate a potential conflict of interest should it arise.

NOTE: This policy reflects the Iowa law on board member conflict of interest. Board members can now make up to \$20,000 from the district in a fiscal year, however, boards can choose to set a limit below \$20,000 if the board believes a lower amount would be more appropriate for their community. There is no longer a prohibition on the employment of a spouse of a board member. Because of this removal, boards have little discretion regarding the employment of board members' spouses.

CODE OF ETHICS

Board members' actions, verbal and nonverbal, reflect the attitude and the beliefs of the school district. Therefore, board members must conduct themselves professionally and in a manner fitting to their position.

Each board member shall follow the code of ethics stated in this policy.

AS A SCHOOL BOARD MEMBER:

1. I will listen.
2. I will respect the opinion of others.
3. I will recognize the integrity of my predecessors and associates and the merit of their work.
4. I will be motivated only by an earnest desire to serve my school district and the children of my school district community in the best possible way.
5. I will not use the school district or any part of the school district program for my own personal advantage or for the advantage of my friends or supporters.
6. I will vote for a closed session of the board if the situation requires it, but I will consider "star chamber" or "secret" sessions of board members unethical.
7. I will keep an open mind on proposed items for action until other points of view have been considered and all available information has been considered, including information presented at board meetings as well as information obtainable only outside meetings.
8. I will expect, in board meetings, to spend more time on education programs and procedures than on business details.
9. I will recognize that authority rests with the board in legal session and not with individual members of the board, except as authorized by law.
10. I will make no disparaging remarks, in or out of the board meeting, about other members of the board or their opinions.
11. I will express my honest and most thoughtful opinions frankly in board meetings in an effort to have decisions made for the best interests of the children and the education program.
12. I will insist that the members of the board participate fully in board action and recommend that when special committees are appointed, they serve only in an investigative and advisory capacity.

14. I will carefully consider petitions, resolutions and complaints and will act in the best interests of the school district.
15. I will not discuss the confidential business of the board in my home, on the street or in my office; the place for such discussion is the board meeting.
16. I will endeavor to keep informed on local, state and national educational developments of significance so I may become a better board member.
17. I recognize that it is my responsibility to become fully informed about issues pending before the board in a timely fashion.
18. I recognize that in order for the board to operate effectively as a team it is imperative that I seek out the input from fellow board members and am willing to share my thoughts and concerns freely.

IN MEETING MY RESPONSIBILITY TO MY SCHOOL DISTRICT COMMUNITY

1.
 - a. I will consider myself a trustee of public education and will do my best to protect it, conserve it, and advance it, giving to the children of my school district community the educational facilities that are as complete and adequate as it is possible to provide.
 - b. I will consider myself a trustee of public education and will do my best to give the children of the school district a nurturing and non-threatening environment that is trusting and supportive for academic and personal growth.
2. I will consider myself a trustee of public education and will do my best to protect it, conserve it, and advance it, giving to the children of my school district community a nurturing and non-threatening environment that is trusting and supportive for academic and personal growth.
3. I will consider it an important responsibility of the board to interpret the aims, methods and attitudes of the school district to the community.
4. I will earnestly try to interpret the needs and attitudes of the school district community and do my best to translate them into the education program of the school district.
5. I will attempt to procure adequate financial support for the school district.
6. I will represent the entire school district rather than individual electors, patrons or groups.
7. I will not regard the school district facilities as my own private property but as the property of the people.

IN MY RELATIONSHIP WITH SUPERINTENDENT AND EMPLOYEES

1. I will function, in meeting the legal responsibility that is mine, as a part of a legislative, policy-forming body, not as an administrative officer.

2. I will recognize that it is my responsibility, together with that of my fellow board members, to see the school district is properly run and not to run them myself.
3. I will expect the school district to be administered by the best-trained technical and professional people it is possible to procure within the financial resources of the school district.
4. I will recognize the superintendent as executive officer of the board.
5. I will work through the administrative employees of the board, not over or around them.
6. I will expect the superintendent to keep the board adequately informed through oral and written reports.
7. I will vote to employ employees only after the recommendation of the superintendent has been received.
8. I will insist that contracts be equally binding on teachers and the board.

AD HOC COMMITTEES EXHIBIT

Ad Hoc Committee Purpose and Function

The specific purpose of each ad hoc committee varies. Generally, the primary function of an ad hoc committee is to give specific advice and suggestions. The advice and suggestions should focus on the purpose and duties stated in the board resolution establishing the committee. It is the board's role to take action based on information received from the ad hoc committee and other sources. Ad hoc committees may be subject to the open meetings law.

Role of an Ad Hoc Committee Member

The primary role of an ad hoc committee member is to be a productive, positive member of the committee. In doing so, it is important to listen to and respect the opinions of others. When the ad hoc committee makes a recommendation to the board, it is important for the ad hoc committee members to support the majority decision of the ad hoc committee. An ad hoc committee will function best when its members work within the committee framework and bring items of business to the ad hoc committee.

Ad Hoc Committee Membership

Ad hoc committee members may be appointed by the board. The board may request input from individuals or organizations, or it may seek volunteers to serve. Only the board or superintendent has the authority to appoint members to an ad hoc committee. Boards must follow the legal limitations or requirements regarding the membership of an ad hoc committee.

DEVELOPMENT OF POLICY

The board has jurisdiction to legislate policy for the school district with the force and effect of law. Board policy provides the general direction as to what the board wishes to accomplish while allowing the superintendent to implement board policy.

The written policy statements contained in this manual provide guidelines and goals to the citizens, administration, employees and students in the school district community. The policy statements shall be the basis for the formulation of regulations by the administration. The board shall determine the effectiveness of the policy statements by evaluating periodic reports from the administration.

Policy statements may be proposed by a board member, administrator, employee, student or member of the school district community. Proposed policy statements or ideas shall be submitted to the superintendent's office for possible placement on the board agenda. It shall be the responsibility of the superintendent to bring these proposals to the attention of the board.

The board shall have complete discretion to determine what constitutes an emergency situation.

The final action taken to adopt the proposed policy shall be approved by a simple majority vote of the board at the next regular meeting after the meeting allowing public discussion. The policy will be effective on the later of the date of passage or the date stated in the motion.

RULES OF ORDER

An orderly board meeting allows the board members to participate in the discussion and decision process on an issue confronting the school district. Rules of order for board meetings allow school district business and the relative information concerning the business to be brought to the attention of the board. They also allow the board to discuss, act upon and make a clear record of school district business in a regular, ordered, reasonable and consistent manner.

It shall be the responsibility of each board member to follow the rules of order stated in this policy at each meeting, and it shall be the responsibility of the presiding officer to conduct the board meeting within these rules.

The board shall follow Robert's Rule of Order, Revised, latest edition as modified by this policy and subsequent rule.

The purpose of modified rules adopted by the board are:

- To establish guidelines by which the business of the governing board can be conducted in a regular and internally consistent manner;
- To organize the meetings so all necessary matters can be brought to the board and decisions of the board can be made in an orderly and reasonable manner;
- To insure members of the board, concentrating on the substantive issues at hand, have the necessary information to make decisions, and to insure adequate discussion of decisions to be made; and,
- To insure meetings and actions of the board are conducted so as to be informative to the staff and the public, and to produce a clear record of actions taken and decisions made.

CLOSED SESSIONS

Generally, board meetings shall be open meetings, unless a closed session or exempt meeting is provided for by law. The board shall hold a closed session or exempt meeting in the situations stated below.

Exceptions to the Open Meetings Law

Closed sessions take place as part of an open meeting. The item for discussion in the closed session shall be listed as part of the tentative agenda on the public notice. The motion for a closed session, stating the purpose for the closed session, shall be made and seconded during the open meeting. A minimum of two-thirds of the board, or all of the board members present, must vote in favor of the motion on a roll call vote. Closed sessions shall be tape recorded and have detailed minutes kept by the board secretary. Final action on matters discussed in the closed session shall be taken in an open meeting.

The minutes and the tape recording will restate the motion made in the open meeting, the roll call vote, the members present, and the time the closed session began and ended. The tape recordings and the written minutes shall be kept for one year from the date of the meeting. Real estate related minutes and tapes will be made public after the real estate transaction is completed.

The detailed minutes and tape recording shall be sealed and shall not be public records open to public inspection. The minutes and tape recording shall only be opened upon court order in an action to enforce the requirements of the open meetings law. The board has complete discretion as to whom may be present at a closed session.

Reasons for the board entering into a closed session from an open meeting include, but are not limited to, the following:

1. To review or discuss records which are required or authorized by state or federal law to be kept confidential or to be kept confidential as a condition for the board's possession or receipt of federal funds.
2. To discuss strategy with legal counsel in matters presently in litigation, or where litigation is imminent, if disclosure would be likely to prejudice or disadvantage the board.

3. To discuss whether to conduct a hearing for suspension or expulsion of a student, unless an open meeting is requested by the student or the parent of the student.
4. To evaluate the professional competency of an individual whose appointment, hiring, performance, or discharge is being considered when a closed session is necessary to prevent needless and irreparable injury to that individual's reputation and that individual requests a closed session.
5. To discuss the purchase of particular real estate, but only when premature disclosure could be reasonably expected to increase the price the board would have to pay for the property.

Exemptions to the Open Meetings Law

Board meetings at which a quorum is not present, or gatherings of the board for purely ministerial or social purposes when there is no discussion of policy or no intent to avoid the purposes of the open meetings law, are exempt from the open meetings law requirements. Since gatherings of this type are exempt from the open meetings requirements, they can be held without public notice, be separate from an open meeting, be held without taping the gathering or taking minutes, and be held without a vote or motion. The board may also hold an exempt session for the following:

1. negotiating sessions, strategy meetings of public employers or employee organizations, mediation and the deliberative process of arbitration;
2. to discuss strategy in matters relating to employment conditions of employees not covered by the collective bargaining law;
3. to conduct a private hearing relating to the recommended termination of a teacher's contract. However, the private hearing in the teacher's contract termination shall be recorded verbatim by a court reporter; and
4. to conduct a private hearing relating to the termination of a probationary administrator's contract or to review the proposed decision of the administrative law judge regarding the termination of an administrator's contract.

PUBLIC PARTICIPATION IN BOARD MEETINGS

The board recognizes the importance of citizen participation in school district matters. In order to assure citizens are heard and board meetings are conducted efficiently and in an organized manner, the board will set aside a specific time for public comment.

Public Comment During Board Meetings

Citizens wishing to address the board during public comment must notify the board secretary prior to the board meeting. The board president will recognize these individuals to make their comments at the appropriate time during public comment. Citizens wishing to present petitions to the board may also do so at this time. The board however, will only receive the petitions and not act upon them or their contents.

The board has the discretion to limit the amount of time set aside for public participation. Normally, speakers will be limited to __ minutes with a total allotted time for public participation of __ minutes. However, the board president may modify this time limit, if deemed appropriate or necessary. Public comment is a time set aside for community input, but the board will not discuss or take any action on any matter during public comment.

Public comment shall be limited to regular board meetings and will not be routinely held during special board meetings.

Petitions to Place a Topic on the Agenda

Individuals who wish for an item to be placed on the board agenda may submit a valid petition to the board. For a petition to be valid, it must be signed by at least 500 eligible electors of the district, or ten percent of the individuals who voted in the last school election, whichever number is lower.

Upon receiving a valid petition to the board to place a proposal on the next board agenda for public hearing, the board will place the proposal identified in the petition on the agenda of the next regular meeting, or a special meeting held within 30 days of receipt of the petition. The board will provide a sign-up sheet for all individuals who wish to speak on the proposal, and individuals will be called to speak in order of sign-up. The sign-up sheet will require each individual to list their legal name and mailing address. Each speaker will be limited to an amount of time established by the board president that is reasonable and necessary based on the number of speakers signed up. The same time limit will apply to all speakers on the proposal. Each individual will be limited to one opportunity to speak. The board maintains absolute discretion on whether or not to discuss or act on the public comments made on the proposal. If a petition is related to curriculum, the district maintains discretion to determine whether to stop teaching that curriculum until the board holds the public hearing to discuss the curriculum.

The board has a significant interest in maintaining the decorum of its meetings, and it is expected that members of the public and the board will address each other with civility. The orderly process of the board meeting will not be interfered with or disrupted by public comment. Only individuals recognized by the board president will be allowed to speak. Comments by others are out of order. If disruptive, the individual causing disruption may be asked to leave the board meeting. Defamatory comments may be subject to legal action.

NOTE: Boards need to make the determination how best, to involve the public in their board meetings. Boards that follow other practices for allowing the public to participate in board meetings should amend this policy to reflect their practice.

PUBLIC COMPLAINTS

The board recognizes situations may arise in the operation of the school district which are of concern to parents and other members of the school district community.

The board firmly believes concerns should be resolved at the lowest organizational level by those individuals closest to the concern. Whenever a complaint or concern is brought to the attention of the board it will be referred to the administration to be resolved. Prior to board action however, the following should be completed:

- (a) Matters should first be addressed to the teacher or employee.
- (b) Unsettled matters from (a) above or problems and questions about individual attendance centers should be addressed to the employee's building principal.
- (c) Unsettled matters from (b) above or problems and questions concerning the school district should be directed to the superintendent.
- (d) If a matter cannot be settled satisfactorily by the superintendent, it may then be brought to the board for consideration. To bring a concern, the individual shall notify the board president or board secretary in writing, who may bring it to the attention of the entire board.

Parents, guardians and community members of the district who have concerns about the district or the board may refer to the student handbook for additional guidance from the Iowa Department of Education.

It is within the discretion of the board to address complaints from the members of the school district community, and the board will only consider whether to address complaints if they are in writing, signed, and the complainant has complied with this policy. The board is not obligated to address a complaint and may defer to the decision of the superintendent. If the board elects not to address a complaint, the decision of the superintendent shall be final. If the board does elect to address a complaint, its decision shall be final.

GENERAL COMPLAINTS BY CITIZENS

The board recognizes that concerns regarding the operation of the school district will arise. The board further believes that constructive criticism can assist in improving the quality of the education program and in meeting individual student needs more effectively. The board also places trust in its employees and desires to support their actions in a manner which frees them from unnecessary or unwarranted criticism and complaints.

Procedures for dealing with complaints concerning programs or practices should be governed by the following principles:

- where action/investigation is desired by the complainant, or where it seems appropriate, the matter should be handled as near the source as possible;
- complaints should both be investigated and, if possible, resolved expeditiously;
- complaints should be dealt with courteously and in a constructive manner; and,
- individuals directly affected by the complaint should have an opportunity to respond.

Specific procedures for handling complaints may be established in policies. The board, consistent with its board policy-making role, will deal with complaints concerning specific schools, programs or procedures only after the usual channels have been exhausted. Complaints regarding employees or complaints by students will follow the more specific policies on those issues.

When a complaint requiring attention is received by the board or a board member it will be referred to the superintendent. After all of the channels have been exhausted, the complainant may appeal to the board by requesting a place on the board agenda or during the public audience portion of the board meeting. If the complainant appeals to the board, the appeal shall be in writing, signed and explain the process followed by the complainant prior to the appeal to the board.

PUBLIC HEARINGS

Public hearings may be held on school district matters at the discretion of the board. Public notice of a public hearing shall be in the same manner as for a board meeting except that the notice shall be given at least ten days before the hearing is to be held unless it is impossible or impractical to do so.

At public hearings, citizens of the district who register at the door will be allowed to speak on the issue for which the public hearing is being held. Others may be allowed to speak at the board's discretion. Speakers are asked to keep their remarks as brief as possible. Prior to the beginning of the hearing, speakers and spectators will be apprised of the rules of order to be followed regarding time limitations, questions, remarks and rebuttals. In no event will a speaker be allowed to take the time of another speaker.

The board shall conduct public hearings in an orderly fashion. At the beginning of the hearing, statements, background materials and public hearing rules and procedures will be presented by the board president. The board president will recognize the speakers. A board member may ask questions of the speakers after receiving permission from the board president. Only those speakers recognized by the chair will be allowed to speak. Comments by others are out of order. Individuals who interfere with or interrupt speakers, the board or the proceedings shall be asked to leave.

The costs of food, drink, lodging and travel are not "registration costs" under this paragraph. Meetings or sessions which a public official or public employee attends for personal or professional licensing purposes are not "informational meetings or sessions which assist a public official or public employee in the performance of the person's official functions" under this paragraph.

An "honorarium" is anything of value that is accepted by, or on behalf of, a board member as consideration for an appearance, speech or article. An honorarium does not include any of the following:

- Actual expenses of a board member for registration, food, beverages, travel or lodging for a meeting, which is given in return for participation in a panel or speaking engagement at a meeting when the expenses relate directly to the day or days on which the board member has participation or presentation responsibilities;
- A nonmonetary gift or series of nonmonetary gifts donated within thirty days to a public body, an educational or charitable organization or the department of general services; or
- A payment made to a board member for services rendered as part of a private business, trade or profession in which the board member is engaged if the payment is commensurate with the actual services rendered and is not being made because of the person's status as a board member but, rather, because of some special expertise or other qualification.

It shall be the responsibility of each board member to know when it is appropriate to accept or reject gifts or honorariums.
